

2022 Metrics

Dear Friends –

Hospice Alliance is committed to helping patients and their families “add life to days” each and every day. We rely on your support to bring comfort and dignity to those facing serious and life-limiting illnesses.

As you read our 2022 Awards and Accolades, note the 710 patients in our care, and smile along with your friends and neighbors in the photographs, knowing that your compassionate commitment to our mission makes it all possible.

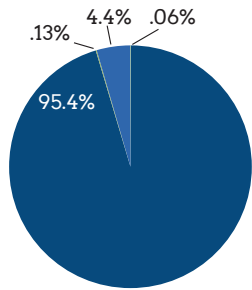

Your support ensures the 24/7 care at the Hospice House, Supportive Care Management, We Honor Veterans program and our robust complementary therapies program which includes aromatherapy, massage, pet, music and benevolent touch. Additionally, we provide Life Enrichment programming and extensive bereavement offerings open to anyone in our community.

We understand you have a choice in who cares for you and your loved ones and which organizations you support. We are deeply grateful to you for choosing Hospice Alliance. The impact you make is too great for words.

Gratefully,

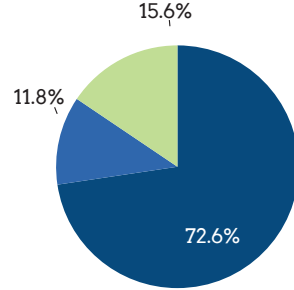

Rita Hagen

“

In September, we reached out to Hospice Alliance for assistance with my Grandma. The entire Hospice Alliance crew was the most professional, compassionate, amazing group of people. It was a rough time for us and everyone we encountered was so positive and upbeat. You are special people and we thank you for all you do.
